

Ecole St Gerard Playground Fundraising Society Sponsorship Program

The Ecole St Gerard Playground Fundraising Society of Grande Prairie, AB (CRA registered Charity #723359683) is fundraising to build a new inclusive and accessible playground on the southeast side of the school. This playground will provide a partial replacement of the current playground which is predominantly wood beams and has less than 5yrs of safe use remaining; per the safety audit conducted by Taylor Risk Solutions on behalf of the school district. This playground is used multiple times a day by our Pre-K - Grade 2 students as well as by the neighbouring residents. Upgrading this playground will provide our students and community with an additional option for an accessible space where all children and caregivers can play regardless of ability.

We thank you for considering our sponsorship program – projects like this wouldn't be possible without the generosity of our community and organizations such as yours.

Ecole St. Gerard Pre-K - Grade 2 Playground Upgrade

Title Sponsor (1) \$75,000

- The Title Sponsor names the playground, i.e.. the “My Company” playground and will be the prominent organization on sign installed at the playground.
